

ANVESHANA 2022-23 MUMBAI FINALISTS

Dear Students,

At the outset, we would like to thank all the participants for their enthusiastic response, for the time and effort given to the 5th edition of Anveshana Mumbai. The journey from initial application and then scrutiny to this stage has been an exciting one for all of us. As you must now be aware, the overall objective of Anveshana is about mentoring young and vulnerable learners through innovative models of engineering, and broadening the horizons of the children. While selecting the projects the Screening Committee went through the project synopsis sent by various group on the relevance of theme, how clearly the project is broadening the knowledge of the young learners through the working models and the innovation component.

38 projects have been selected as Finalists. It was a tough job for the Jury to select the 38 Projects.

We take this opportunity to wish all the very best to all the Finalists. We thank you, with the earnest request to keep this spirit of learning and Teaching. Once again Congratulation for being selected as Finalist.

Next Action Plan for Finalists will be shared soon by Regional Co-coordinator Mr. Kaustubh Dixit (9763556733). All Finalists are requested to be in touch with him for any query.
